

PRODUCT REQUIREMENTS DOCUMENT

Paborito Poultry Products Landing Page

Version 1.0 | November 2025

1. EXECUTIVE SUMMARY

This document outlines the requirements for developing a multi-page website for Paborito Poultry Products. The website will serve as a digital platform for showcasing poultry digestive health supplements, generating leads, facilitating direct sales inquiries, and recruiting dealers across the Philippines.

2. CLIENT REQUIREMENTS CHECKLIST

The following materials and information must be provided by the client before development begins:

2.1 Product Information (Required)

- ☐ Product names and descriptions for 5 products
- ☐ Complete ingredient lists per product
- ☐ Dosage and usage instructions
- ☐ Package sizes available (50g, 100g, 1kg, etc.)
- ☐ Pricing per package size
- ☐ Key benefits per product (3-5 bullet points each)

2.2 Visual Assets/Graphics (Required)

- ☐ High-resolution product images (minimum 1200x1200px)
- ☐ Company logo files (PNG with transparency + vector)
- ☐ Brand guidelines (if available) or color codes
- ☐ Before/after photos for testimonials (if available)
- ☐ Farm/production facility photos
- ☐ Certification/award images

2.3 Content (Required)

- ☐ Company story/history (200-300 words)
- ☐ Mission and vision statements
- ☐ 5-8 customer testimonials with names and locations
- ☐ Contact information (phone, email, address)
- ☐ Social media links
- ☐ Dealer requirements and benefits
- ☐ Terms and conditions
- ☐ Privacy policy

2.4 Business Information (Required)

- ☐ Email address for form notifications
- ☐ List of current dealer locations (if applicable)
- ☐ Preferred contact methods
- ☐ Business hours
- ☐ DTI/SEC registration numbers (for footer)

3. FUNCTIONAL REQUIREMENTS
